

# Stolen People On Stolen Land

Online Zoom Workshop Hosted by  
ETFO - Toronto OT Local's Racialized Members  
Committee

An introductory workshop to engage participants in what it means to be *Stolen People On Stolen Land*. This workshop will explore topics such as Black and Indigenous Solidarity; Truth, Reconciliation, and Reparations; and Afro-Indigenous Identities.

Instructors will explore historical and contemporary stories of survival and healing between Black and Indigenous communities.

This workshop encourages participants to engage in whole group and small group (breakout room) discussions. Participants will come away with an understanding of the unique complexities that peoples of the African Diaspora face - being Stolen People on Stolen Land.
