I offer years of experience both as a TDSB OT (since 2004) and as a committed executive member of the ETFO Toronto OT Local. So, I know first-hand the issues that matter most:

Living Wage
Equitable Hiring Practices
Access to Work
Workplace Safety and Respect
Health Benefits
Professional Learning

I champion the collective membership and the vital role of occasional teachers in education. As well, I counsel, support and defend individual members with empathy and expertise. I have the proven skills, tenacity and passion for advocacy.

My priorities are your priorities. To that end, I remain dedicated to listening to the needs of all our members and ensuring that those needs are guiding the work we do.
