

VOTE FOR SARAH BOOMHOWER

I am a determined, collaborative, kind, energetic, and empathetic advocate and leader in our union and the community. As your elected 2025-2026 VP WOMEN, I will continue my grassroots advocacy through motions, meetings, votes, events, and grievances led by my devotion to equity, social justice, transparent communication, and member engagement. I will bring these strengths to future board negotiations. I am keenly aware of the many challenges faced by our members in an ever changing educational landscape as vulnerable precarious workers.

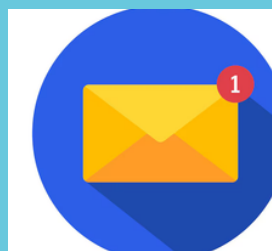

As a community activist and teacher for the last 18+ years, I wish to continue listening and leading with kindness and determination. I promise to remain available by email, phone, and on social media platforms beyond office hours. By truly listening with compassion and honesty, members' voices and lived experiences are met with my boldness to seek action and justice as I speak truth for changes.

As an executive member, secretary, and VP Open, I have brought forward motions, that speak to the funding for professional learning materials, speaking passionately for children's charities and dependent care, and coordinated and hosted anti-oppressive workshops led by the Racialized Members, Professional Learning, Social, and Status of Women Committees. I will continue my unique networking and collaborative skills to bring the best workshops to our members that promote healing, growth, and begin reconciliation in policy and action.

It is with great respect and responsibility that I put forward my name (**Sarah Boomhower**) and ask you to vote for equity, empathy, and my energy to advocate for real and meaningful changes.
