

Elect K. Justin Ngo for Executive Member

About Me

As an occasional teacher and active ETFO member, I am dedicated to advocating for educators' rights, fair working conditions, and professional growth. Before earning my B.Ed. in Toronto, I spent eight years teaching in Japan as an assistant language teacher. I have worked in the Peel and York Region District School Boards and now dedicate my efforts to the Toronto District School Board. Through these experiences, I have gained valuable insight into how different boards support their educators. I have also participated in the ETFO Annual Meeting and am serving as Secretary for the 2025–2026 year, which has strengthened my understanding of union processes and member advocacy. I am committed to using this knowledge to strengthen union advocacy, improve working conditions, and ensure fair opportunities for all members.

My Priorities

- ◆ Enhancing professional development opportunities for all members.
- ◆ Strengthening support for occasional teachers.
- ◆ Advocating for improved working conditions and fair contracts.
- ◆ Promoting union engagement and member involvement.
