The strength of our union is rooted in its membership. Collectively, we represent a significant and powerful force.

As your Local Vice President, I am committed to ensuring our shared voice remains a priority.

I remain dedicated to enforcing and enhancing our Collective Agreement, mobilizing our membership, ensuring the health and safety of all, and fostering the professional respect we deserve.

I am deeply passionate about the rights of Occasional Teachers and look forward to serving as your Local Vice President.

In solidarity,

Sophie Kroesen
